ABOUT PROFESSOR JUSTIN DURHAM

Justin is a Professor of Orofacial Pain and Head of School at Newcastle University's School of Dental Sciences and an Honorary Consultant Oral Surgeon at Newcastle-Upon-Tyne's Hospitals' NHS Foundation Trust in the UK. His primary research interests are in orofacial pain both at the first and second translational research gaps. He has wide experience in a variety of methodologies involved in health services research and has received international awards both for clinical and pedagogical research.
